Business Report

(From January 1, 2021 until
December 31, 2021)

1. Matters Relating to the Current State of the Corporate Group

(1) Business Programs and Results

For the current consolidated fiscal year, the economic environment improved and showed signs of recovery as measures against COVID-19 such as vaccination reduced the number of cases and the emergency stay-at-home order was ended in October 2021. However, the outbreak and spread of the new mutated strain, Omicron, has led to renewed uncertainty about the future.

Within this economic environment, the Group has been working hard to promote the GLOBAL WiFi and the information and communication services businesses domestically.

Therefore, net sales for the current consolidated fiscal year are 18,100 million yen (increased 8.7% YoY), operating income is 1,105 million yen (increased 963.6% YoY), and ordinary profits are 1,143 million yen (increased 401.8% YoY), and profit attributable to owners of parent is 729 million yen (loss attributable to owners of parent in the same period of the previous year is 1,183 million yen), meaning all exceeded the results of the previous fiscal year.

Status by Segment

The Corporate Group's two reported categories are "GLOBAL WiFi Business" and "Information and Communications Service Business". The situation of each category is as follows.

"GLOBAL WiFi Business"

During the consolidated fiscal year, we catered to the telecommunication needs of various situations such as moving, hospitalization, business trips, the addition of home internet lines, and various events, amidst the continued demand due to increased telework as the COVID-19 pandemic continues.

At the same time, we worked to increase sales of "Global WiFi for Biz," an in-house mobile Wi-Fi router with the option of a domestic usage plan, and "Vision WiMAX," a high-speed Wi-Fi router, and launched "World eSIM," an eSIM service that can be used in 120 countries around the world.

Additionally, as part of the border measures at airport quarantine stations for entry into Japan, the Company was temporarily entrusted with the registration and confirmation of designated applications, which has been implemented in earnest since April 2021.

Furthermore, as an essential infrastructure service during the pandemic, we opened the Shinjuku PCR Center East Exit Branch and started providing highly convenient PCR testing services.

As a result, net sales for the consolidated fiscal year were 9,070 million yen (increased 24.6% YoY) and segment profit was 1,033 million yen (declined by 90 million yen YoY). Both results exceeded the previous fiscal year results.

“Information and Communications Service Business”

In this business segment, services are being developed that can reduce costs, improve operational productivity, and support remote work during and after the pandemic and demand for services that can contribute to cost reduction, operational efficiency improvement, and remote work support, can be expected regardless of the economy.

With a strategy of targeting newly established companies/startups and supporting their growth stage with up/cross selling, we are working to improve stability and profitability by increasing stock and promoting highly effective sales activities.

During the consolidated fiscal year, sales of mobile communication devices to support remote environments were strong with significant demand, but commission sales in the new electric power business declined due to the sharp rise in electricity retail prices.

Furthermore, in preparation for the future, we have worked to expand sales of our monthly in-house services, which are expected to generate continuous revenue despite a temporary increase in operating costs (expected annual profits of 10 million yen).

As a result, net sales were 8,804 million yen (declined 0.0% YoY) and segment profit was 1,116 million yen (declined 26.6% YoY).

Sales by Segment

Segment	FY20 12/2020 (Previous consolidated fiscal year)		FY21 12/2021 (Current consolidated fiscal year)		Increase or decrease from the previous consolidated fiscal year	
	Amount (millions of yen)	Ratio (%)	Amount (millions of yen)	Ratio (%)	Amount (millions of yen)	YoY (%)
GLOBAL WiFi	7,278	43.7	9,070	50.1	1,792	24.6
Information and Communications Service	8,806	52.9	8,804	48.6	-1	-0.0
Other	580	3.5	235	1.3	-345	-59.5
Adjustments	-10	-0.1	-10	-0.1	0	
Total	16,654	100.0	18,100	100.0	1,446	8.7

(2) Status of Capital Investment

The total amount of capital investment made in the current consolidated fiscal year is 298 million yen. The main investment sources are the acquisition of mobile Wi-Fi routers for rental use and the development of database software for the GLOBAL WiFi business.

(3) Matters to be Resolved

The issues that should be prioritized for the GLOBAL WiFi business are as follows.

- ① Expand sales channels and respond to demand
Develop sales partners and strengthen cooperation
Respond to demand for telework, online classes, moving, hospitalization, business trips, combined use with home line, various events, and other communication needs
- ② Expansion of reliable profit sources
Corporate contracts, long term rental plans "Global WiFi for Biz", "Vision WiMAX"
- ③ Maximization of profit when international travel recovers
Expand service lineup, improve convenience (more delivery methods and location availability)

The issues that should be prioritized for the Information and Communications Service business are as follows.

- ① Enhance online sales structure
Reduce number of in person business visits, expand sales area, and reduce business transportation costs.
- ② Increase productivity of existing business
Improve upselling and cross selling for both in person and online sales.
- ③ Expand sales of in-house services
Internal workflow, monthly subscription-based homepage creation, and various maintenance services, other new services

We would like to ask our shareholders for their continued support.

(4) Changes in Property and Profit or Loss Status

① Status of corporate group properties and profit or loss

The Audit & Supervisory Board Members selected by the Board of Corporate Auditors will report the dismissal and the reason for the dismissal at the first general meeting of shareholders convened afterwards.

6. Company Structure and Policy

The Board of Directors has established and resolved the "Basic Policy for Maintaining an Internal Control System" to ensure the appropriateness of business operations. The policy outline is as follows.

- (1) System to ensure that the execution of duties by directors complies with laws and regulations and the Articles of Incorporation, and other systems to ensure the appropriateness of operations
 - ① System to ensure that the execution of duties by directors and employees complies with laws, regulations, and the Articles of Incorporation
 - a. Compliance with laws and regulations, the Articles of Incorporation, and the Company's management philosophy is regarded as the highest priority in corporate management for the execution of business by directors and employees, and there are established "Compliance Regulations".
 - b. In order to thoroughly implement compliance activities, we will establish a compliance committee with the president as the officer in charge and carry out company-wide efforts.
 - c. An internal audit office will be set up to conduct internal audits on all activities of the business execution department based on the audit plan approved by the representative director and report the audit results to the representative director and corporate auditors.
 - d. We have secure means for officers and employees to directly report violations or suspicious acts, one of which is an established and operate a reporting hotline that allows officers and employees to report to external authorities. We affirm that the identity of the whistleblower will not be disclosed without their consent (condition of anonymity) and there are no negative repercussions to the whistleblower.
 - e. The Board of Directors recognizes that preparing an appropriate financial report is extremely important for maintaining and improving social credibility and has established effective internal checks so that false statements and errors are not in the prepared report.
 - ② System for storing and managing information related to execution of duties by directors
 - a. Based on the document management rules, the directors will save all documents (including electronic records) specified in the following list of materials.
 - (a) Minutes of the General Meeting of Shareholders and related materials
 - (b) Minutes of board meetings and related materials
 - (c) Minutes of the management meeting and related materials
 - (d) Minutes and related materials of other important meetings hosted by the directors
 - (e) Other important documents regarding the execution of duties by directors
 - b. In addition to the previous issue, the storage and management of documents related to company operations will be properly stored and managed based on "Document Management Regulations" and "Document Retention Period".
 - c. For electronic records stored or managed by the Company, security is ensured based on the "Information Security Regulations", "Information Security Use Regulations" and "Information Security Management Regulations" to prevent information from leaking.

- d. Directors and corporate auditors can always directly view or copy the information stored and managed by each department.
- ③ Regulations and other systems for managing risk
- a. Regarding risk management, we have established "Risk Management Regulations" and made the president be the chief risk management officer. At the same time, we have established a risk management committee to implement risk management properly and efficiently.
 - b. The policy for dealing with serious management risks and other important risk management matters will be fully deliberated at the Management Committee and particularly important matters will be reported to the Board of Directors.
- ④ System for ensuring the efficient execution of duties by directors
- a. In principle, the Board of Directors regularly meets once a month and also holds extraordinary general meetings as necessary to make emergency decisions.
 - b. The status of execution of duties by directors are reported to the Board of Directors as necessary.
 - c. The authority of directors and employees is exercised appropriately and efficiently based on the "Official Regulations of Administrative Authority".
- ⑤ A system for ensuring the appropriateness of operations in the Group consisting of the Company and its subsidiaries
- a. Regarding the management of Group Companies, we request that they comply with the "Affiliated Company Management Regulations" established by the Company while we respect the independence of each company.
 - b. Internal audits are conducted by the Internal Audit Office and Group companies are monitored as necessary for the execution of proper business.
- ⑥ Matters concerning the independence from directors of an employee requested by Audit & Supervisory Board Members for assisting in duties and matters
- a. The number of employees appointed to assist the Audit & Supervisory Board Members will be decided after the Audit & Supervisory Board Members and the Board of Directors deliberate.
 - b. When the employee assists in the duties of the Audit & Supervisory Board Members, he/she shall not receive the instructions and orders of the directors.
- ⑦ Systems for directors and employees to report to the Audit & Supervisory Board Members
- a. Directors and employees shall report on the status of execution of their duties and other matters from time to time at the request of Audit & Supervisory Board Members.
 - b. The general manager of the accounting department shall regularly report to the Audit & Supervisory Board Members about the content of their duties.
 - c. In addition to attending Board of Directors meetings, Audit & Supervisory Board Members appointed by the Board attend important meetings such as the Management Council.

- ⑧ Other systems to ensure that audits by Audit & Supervisory Board Members are conducted effectively

In addition to holding a regular meeting of the Audit & Supervisory Board Members once a month, the Audit & Supervisory Board Members hold an extraordinary meeting whenever necessary in order to exchange information and discuss the status of audit implementation and regularly receive reports from the Internal Audit Office and the Accounting Auditor.

- ⑨ Basic framework for eliminating involvement with anti-social forces

- a. We have established a compliance policy that we have no relationship with anti-social forces and will respond with a resolute stance.
- b. If an unfair demand comes from anti-social forces, the legal department will be the responding department and cooperate with related organizations such as the police.
- c. When finalizing business contracts, we must confirm that the business partner is not an anti-social force or related individual or corporation.
- d. When finalizing business contracts, we must confirm that neither side is an antisocial force and if a violation is discovered later, we will cancel the contract and claim damages. We will use the "regulations for exclusion of antisocial forces" clause in the contract.

- (2) Overview of the system to ensure the appropriateness of business

We have established the above internal control system, and in addition to the Board of Directors, we have a risk management committee to regularly to consider management risks. As a result, we are reviewing various regulations and operations as necessary to improve the effectiveness of the internal control system.

In addition to auditing, our full-time Audit & Supervisory Board Member has an established system that is able to monitor the status of business execution and risks related to compliance through interviews with managers and attendance at important internal meetings such as management meetings. The Internal Audit Office also conducts internal audits on a regular basis to verify that daily operations do not violate laws, regulations, articles of incorporation, internal regulations, etc.

- (3) Basic policy relating to corporate control

The Company has not stipulated a basic policy regarding the ideal type of person to control decisions about finance and business policies.

- (4) Policy on determining surplus dividends

The Group has not paid dividends in the past because we believe that prioritizing investments to strengthen our financial position, expand the business, and further increase corporate value will lead to the maximum return of profits to shareholders. We recognize that returning profits to shareholders is an important management issue as well.

In the future, we will secure stable internal reserves necessary for strengthening our financial position and expanding our business, while taking into consideration the business environment surrounding the

Group and implementing a stable and continuous return of profits to our shareholders. However, at this time, the possibility and timing of paying dividends is undecided.

If paying surplus dividends, the basic policy is to pay a dividend once a year which is decided by the general meeting of shareholders. In addition, the Articles of Incorporation stipulate that based on the resolution of the Board of Directors, the Company may pay an interim dividend.

Auditor Conclusion

We have audited the consolidated financial statements, namely, the balance sheet, the statement of income, the statement of changes in net assets, the notes to the financial statements, and the related supplementary schedules of Vision Inc. from January 1, 2021 to December 31, 2021 in accordance with Article 444, Paragraph 4 of the Companies Act.

In our opinion, the financial statements referred to above fairly represent the financial position and results of operations of the Company for the period in conformity with accounting principles generally accepted in Japan.

Basis of Conclusion

We conducted our audit in accordance with auditing standards generally accepted in Japan. Our responsibility is to express an opinion on these financial statements based on our audit. We are independent of the Company in accordance with the provisions of professional ethics in Japan, and we have fulfilled our other ethical responsibilities as auditors. We believe that we have obtained sufficient and appropriate audit evidence to provide a basis for our opinion.

Responsibilities of Management, Corporate Auditors, and Board of Corporate Auditors for Consolidated Financial Statements

The Company's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in Japan and for designing and operating such internal control as management determines is necessary to enable the preparation and fair presentation of the financial statements, etc. that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing whether it is appropriate to prepare the financial statements based on the going concern assumption, and for disclosing, if necessary, matters related to going concern in accordance with accounting principles generally accepted in Japan.

The corporate auditors and the board of corporate auditors are responsible for monitoring the directors' performance of their duties in the development and operation of the financial reporting process.

Auditor's Responsibilities for the Review of Condensed Consolidated Financial Statements

Our responsibility is to express a conclusion on these condensed consolidated financial statements based on our report on review of the financial statements. A misstatement is considered to be material if it could have been caused by fraud or error and, individually or in the aggregate, could reasonably be expected to affect the decisions of users of the financial statements.

As part of our review in accordance with review standards generally accepted in Japan, we exercise professional judgment and maintain professional skepticism throughout the review. We also:

- Identify and assess the risks of material misstatement due to fraud or error. Also, design and perform audit procedures that address the risks of material misstatement. The selection and application of audit procedures shall be at the auditor's discretion. In addition, obtain sufficient appropriate audit evidence to provide a basis for expressing an opinion.
- The purpose of an audit of the consolidated financial statements is not to express an opinion on the effectiveness of the entity's internal control; however, in making those risk assessments, the auditor considers internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of the accounting policies and methods of application thereof adopted by management and the reasonableness of the accounting estimates made by management and the adequacy of the related notes.
- Conclude whether nothing has come to our attention that causes us to believe that the condensed consolidated financial statements do not present fairly in accordance with the generally accepted criteria for preparing financial statements and based on the obtained evidence, when a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the condensed consolidated financial statements or if such disclosures are inadequate, to express a qualified conclusion or an adverse conclusion. Our conclusions are based on the evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate whether nothing has come to our attention that causes us to believe that the presentation and disclosures in the condensed consolidated financial statements are not in accordance with auditing standards generally accepted in Japan, the overall presentation, structure and content of the condensed consolidated financial statements, including the disclosures, and whether nothing has come to our attention that causes us to believe that the condensed consolidated financial statements do not represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate evidence regarding the financial information of the entities or business activities within the Group to express a conclusion on the condensed consolidated financial statements. We are responsible for the direction, supervision, and performance of the group review. We remain solely responsible for our review conclusion.

We communicate with corporate auditors and the board of corporate auditors regarding, the planned scope and timing of the review, significant review findings that we identify during our review.

We also provide corporate auditors and the board of corporate auditors with a statement that we have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Interests

There are no special interests between the company and the audit corporation or audit corporation executives that need to be stated according to the provisions of the Certified Public Accountants Act of Japan.

Audit Report

The Board of Statutory Auditors has prepared this Audit Report based on the audit reports prepared by each Statutory Auditor with respect to the performance of duties by the Directors for the 21st fiscal year from January 1, 2021 to December 31, 2021, after deliberations, and hereby submits the following report.

1. Method and details of audits by Corporate Auditors and the Board of Corporate Auditors

(1) The Board of Corporate Auditors established the audit policy and allocation of duties, received reports from each Corporate Auditor on the status of implementation and results of audits, received reports from Directors, and the Accounting Auditor on the status of execution of their duties, and requested explanations as necessary.

(2) In accordance with the auditing standards for Corporate Auditors established by the Board of Corporate Auditors, and in accordance with the auditing policy, allocation of duties, each Corporate Auditor endeavored to communicate with Directors, the Internal Audit Office and other employees, etc., to collect information and improve the auditing environment, and conducted audits in the following manner

① We attended the meetings of the Board of Directors and other important meetings, received reports from the Directors and employees on the status of execution of their duties, requested explanations as necessary, perused important approval documents and investigated the status of operations and assets at the head office and major business offices. In addition, with respect to subsidiaries, we communicated and exchanged information with the directors and corporate auditors of the subsidiaries and received reports on business from the subsidiaries as necessary.

② With respect to the details of the resolutions of the Board of Directors regarding the establishment of the systems stipulated in Article 100, Paragraph 1 and Paragraph 3 of the Enforcement Regulations of the Companies Act, which are necessary to ensure that the execution of business is in compliance with laws and regulations and the Articles of Incorporation of the Company, and the systems (internal control systems) established based on such resolutions, we have received regular reports from Directors and employees on the status of establishment and operation of such systems, requested explanations as necessary, and expressed our opinions.

③ We have received regular reports from directors and employees on the status of the establishment and operation of the system (internal control system), requested explanations as necessary, and expressed our opinions.

We also received reports from the Accounting Auditor on the status of the execution of its duties and requested explanations as necessary. In addition, we received notice from the accounting auditor that "systems to ensure the proper execution of duties" (matters set forth in each item of Article 131 of the Corporate Accounting Rules) are being developed in accordance with the "Quality Control Standards for Audits" (Business Accounting Council, October 28, 2005) and other relevant standards, and sought explanations as necessary.

Based on the above methods, we examined the business report, supplementary schedules, and financial statements (balance sheet, statement of income, statement of changes in net assets, and notes to financial statements) as well as consolidated financial statements (consolidated balance sheet, consolidated statement of income, consolidated statement of changes in net assets, and notes to consolidated financial statements) for the fiscal year under review.

2. Results of Audit

(1) Results of Audit of Business Reports

① In our opinion, the Business Report and the supplementary schedules fairly present the condition of the Company in conformity with laws and regulations and the Articles of Incorporation.

② In our opinion, we have found no misconduct or material fact of violation of laws and regulations or the Articles of Incorporation in connection with the Directors' performance of their duties

③ The content of the resolution of the Board of Directors regarding the internal control system is appropriate, and the content of the business report regarding the operation of the internal control system is appropriate and we have found no matters to be pointed out regarding the execution of duties by the Directors regarding the establishment and operation of the internal control system.

(2) Results of audit of financial statements and supplementary schedules

In our opinion, the auditing methods and results of the Accounting Auditor, KPMG AZSA LLC, are appropriate.

(3) Results of audit of consolidated financial statements
