## Dexerials Corporation Achieves High Ratings in Three Major IR Website Surveys

Dexerials Corporation (Headquarters: Shimotsuke-shi, Tochigi, Representative Director and President: Yoshihisa Shinya, hereinafter, “Dexerials”), which provides leading-edge technologies, materials, and devices for smartphones, automotives, and other products, announced that its Investor Relations (IR) website has been recognized for excellence by three major IR website rating agencies, continuing its streak from the previous year.

Dexerials received the AAA Website Rank in the All Markets Ranking for its website in the All Japanese Listed Companies' Website Ranking 2023 by Nikko Investor Relations Co., Ltd. This marks the fourth consecutive year in which it achieved this top honor. Additionally, in the Gomez IR Site Ranking 2023, conducted by BroadBand Security, Inc., Dexerials was awarded the Silver Prize for its website, a recognition it has achieved for six consecutive years. Moreover, Dexerials continued its success by winning the Commendation Award in the 2023 Internet IR Award by Daiwa Investor Relations Co., Ltd., marking another year of recognition.

Dexerials is committed to enhancing the understanding of its investors and shareholders about the company. It continues to enrich its website with comprehensive information, including Financial Data page (<https://www.dexerials.jp/en/ir/highlight/index.html>).

Dexerials will continue to invest in developing and improving its IR website and other online channels to ensure transparency and accessibility for all its shareholders and investors.
