Notice of Monthly Information for January 2025

This is to announce the monthly information for January 2025 as follows.

	January 2025	YoY / MoM Change (Note 1)
Net Sales	3,978million yen	110.7%
Online Sales	3,048million yen	110.9%
Online Members	718,825	+4,324

In January, the core camera business, the strong sales of newly released products continued, and the point campaign for used products, which had been running since last December, also contributed to performance. As a result, both overall and EC sales achieved double-digit year-on-year growth. Additionally, the number of new online members continued to grow steadily.

*In January 2024, due to a system failure, MapCamera suspended its operations on domestic marketplaces (Rakuten Ichiba, Yahoo! Shopping) outside of its own website from December 1, 2023, to January 23, 2024.
