The Company regards the return of profits to shareholders as one of our most important management issues. For the three fiscal years under the Sixth Medium term Management Plan (from the fiscal year ended March 2023 to the fiscal year ending March 2025), the Company would like to express its gratitude to shareholders for their support thus far and has decided to set the minimum annual dividend per share at 20 yen, taking into account the current state of net assets.

The year-end dividend for the current fiscal year is set at 15 yen per share, taking into consideration the Company's financial and net asset position and profit for the period.
