Gift Holdings Inc.

Gift Holdings Inc. (President: Sho Tagawa, headquartered in Shibuya-ku, Tokyo; listed on the Tokyo Stock Exchange Prime Market), together with its group companies (hereinafter referred to as “our group”) is pleased to announce the grand opening of the three brands, “Machida Shoten”, “GANSO ABURADO”, “NAGAOKA SHOKUDO”, will come together on August 25, 2025, at South Terrace of Tokyo International Airport (Haneda Airport) Terminal 1 in Tokyo, Japan.

Haneda Airport, where the new store will open, is Japan’s gateway to the skies and ranks as the world’s fourth-busiest airport by passenger traffic. Terminal 1 serves domestic flights operated by Japan Airlines (JAL) Group, Skymark, and others, and features a wide variety of dining and retail options. The store will be enjoyed not only by air travelers but also by the many visitors who come to the airport.

Our group will continue to embody its business concept — “Ramen as a gift to the world” — in every store, delivering smiles and energetic service through each bowl of ramen.
