# Notice Concerning Partial Revision of Shareholder Benefit Program

Asante, Inc. (the “Company”) hereby announces that, at a meeting of its Board of Directors held on May 12, 2026, it resolved to partially revise its shareholder benefit program as follows.

The Company has implemented a shareholder benefit program to show appreciation for the continued support of its shareholders and to strengthen relationships with shareholders who hold the Company’s shares over the medium to long term.

In addition to further promoting long-term shareholding, the Company has decided to partially revise the program and introduce new service discount benefits in order to enhance shareholders’ understanding of its business.

Please note that there will be no changes to the content or eligibility conditions of the gift card benefit for shareholders holding 100 shares or more as of the record dates of March 31, 2026 and September 30, 2026.

From the record date of March 31, 2027, shareholders will be eligible to receive the newly introduced service discount benefits in addition to the gift card benefit.
Furthermore, holding period requirements will be introduced in stages from the same record date.

## 1. Reasons for the Revision

The Company has sought to enhance the attractiveness of investment in its shares and to build long-term relationships with shareholders through its shareholder benefit program.

In light of recent circumstances, the Company has decided to revise the program in order to encourage more shareholders to hold its shares over the medium to long term and to provide greater opportunities for shareholders to become familiar with its services, thereby further deepening their understanding of the Company’s business.

2. Details of the Revision

(1) Introduction of Holding Period Requirements for Gift Card Benefits

The shareholder benefit gift card (¥1,000, twice a year) will be subject to a minimum holding period requirement, with a basic requirement of one year of continuous holding, to be introduced in stages as follows:

| From September 30, 2027 onward | From December 2027 onward | Holding 100 shares or more + continuous holding for at least 1 year |

(2) Introduction of Service Discount Benefits

To provide shareholders with greater opportunities to use the Company's services and to deepen their understanding of its business, the Company will introduce new service discount benefits for shareholders from the record date of March 31, 2027.
The holding period requirements will be the same as those for the gift card benefit.

| Eligible Services | Discount Rate |
|---|---|
| Termite control services (new treatment, retreatment, and first renewal), moisture control measures, and related services | 10% |
| Seismic reinforcement, high-insulation construction, and PCO (pest control) services | 5% |

The service discount benefits will be available from July 1, 2027.

The usage period will be as follows:

・Shareholders as of March 31: from July to December of the same year

・Shareholders as of September 30: from January to June of the following year

Each shareholder may use the benefit once per six-month period per shareholder number.

Applications will be accepted from shareholders via the toll-free customer service number (0120-557-419) indicated in the shareholder benefit guide or through a dedicated application form to be established on the Company's IR website. The application form is scheduled to become available in July 2027.
